

KONICA MINOLTA

THE COLOR PRINTER THAT'S FASTER AND BETTER.

Your business deserves bizhub™ – because an ordinary desktop printer can't handle your high-volume color workload, or deliver the color quality your documents deserve. The bizhub C352P combines spectacular laser color quality with workhorse productivity, at output speeds of up to 35 ppm in both color and B&W. Print control is built in, powered by the advanced Emperon™ Print System for faster processing and simple, intuitive user interface. Standard duplexing can handle up to 140 lb. index paper automatically. And modular finishing options make it easier to produce color documents in-house and on-demand. Your business needs color – and for fast color output with uncompromising speed, quality and cost-efficiency, you need bizhub.

The essentials of imaging

KONICA MINOLTA bizhub C352P

The high-volume color printer you need. For go-to color print performance, the bizhub C352P delivers fast 35 ppm output speed with 100,000-page monthly duty cycle – so color printing keeps pace with your rising workload.

B&W print output at competitive cost. A larger-capacity B&W toner cartridge helps lower your total cost of ownership even further.

The Emperon™ Print System. Unique technology, seamless functionality and in-house PCL/PS (emulation) print drivers give the bizhub C352P significant advantages in print performance.

Print control has never been easier. With built-in print control and simple user interface, you'll have desktop point-and-click command of printing and finishing – your key to in-house print productivity.

On-board document storage. With a 40 GB HDD option, the bizhub C352P can store print documents on-board for quick and easy reprinting as well as sharing and distribution throughout your network – giving you a central document resource for streamlined print productivity.

Enhanced security protection. Today's networked workflow demands increased security protection – and the bizhub C352P gives you HDD Job Erase, HDD Sanitizing, HDD Lock function, Secure Printing, IP Address Filtering, User Authentication, optional HDD Encryption and more.

Standard duplexing, high paper capacity. The bizhub C352P lets you load and auto-duplex up to 140 lb. index stock via multi-purpose cassette and manual bypass, print on envelopes or coated paper, and output 11" x 17" originals on 12" x 18" paper to preserve color bars, crop marks and margins – with maximum paper capacity of 3,350 sheets for long print/copy runs.

PageScope print management capabilities. PageScope Job Spooler helps you control print queues more effectively – and PageScope Direct Print lets you send PDF or TIFF files directly to print without using print drivers or application software.

CUSTOMIZE YOUR AUTO FINISHING. ADD AN OPTIONAL BUILT-IN FS-514 FINISHER TO YOUR C352P, AND YOU CAN CUSTOMIZE YOUR PRINT OUTPUT WITH 60-PAGE BOOKLET-MAKING, CREASE-FOLDING, CENTER-STAPLING, 2/3-HOLE PUNCHING, MAILBIN KIT AND OUTPUT TRAY.

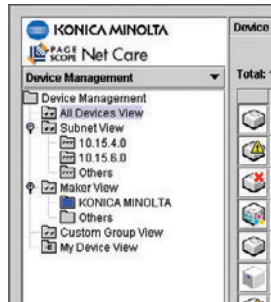

FINISHING OPTIONS

- ▶ 60-PAGE BOOKLET-MAKING
- ▶ CREASE-FOLDING
- ▶ CENTER STAPLING
- ▶ 2/3-HOLE PUNCHING

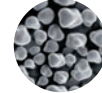

THE POWER OF PAGESCOPE™ SOFTWARE. PAGESCOPE DATA ADMINISTRATOR™ MANAGES DEVICE USER LISTS AND ENABLES ACCOUNT TRACKING, AND HELPS YOU SET UP ONE-TOUCH EMAIL ADDRESSES AND MANAGE PASSWORD AND SECURITY FUNCTIONS. PAGESCOPE WEB CONNECTION GIVES YOUR C352P ITS OWN "WEBSITE" FOR STATUS MONITORING.

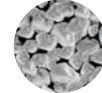

TRULY SPECTACULAR COLOR IMAGES. A NEW LASER PRINT ENGINE AND EXCLUSIVE KONICA MINOLTA SIMITRI® COLOR POLYMERIZED TONER TECHNOLOGY COMBINE TO PRODUCE CLEAN, CRISP DETAIL AND CONSISTENT COLOR TONALITY FOR HIGH-IMPACT DOCUMENTS.
